

STEM PATH AVIATION FORUM

**Careers through the
lens of aviation**

**Saturday
September 17
1pm-4pm**

**Hosted at:
Delaware Valley
Regional High School**

**Alexandriafield.com/aviationforum
908.735.0870 for info.**

This is a chance for you to get answers from those who have gone before you... regarding the disciplines of science, technology, engineering, and mathematics in the field of aviation transportation, it is not a traditional career day. Ask questions to help make the best decisions you can for you or your child's career. Join us for panel discussions and one-on-one opportunities to speak with parents, STEM/ Aviation professionals, college and corporate representatives.

Professionals, companies, and colleges in attendance will include:

- * Federal Aviation Administration
- * US Navy Nuclear Field Program
- * Pratt & Whitney
- * Man Diesel
- * American Institute of Aeronautics and Astronautics
- * Walmart
- * Johnson & Johnson
- * Bryn Mawr College
- * Raritan Valley Community College
- * Auburn University
- * University of North Dakota
- * Parents of students in STEM academic institutions
- * Corporate Pilots
- * Engineers
- * Dispatchers
